County Honours

Honours Review set out the criteria for how volunteers' efforts in support of the County should be recognised. These criteria aim to ensure that awards are given to individuals that reflect the true nature of the support that they have provided to the game in Kent. The honours follow the below hierarchical framework:

- a. President
- b. Life-Vice President
- c. County Badge
- d. 'Valued Volunteer' (with awards presented on the basis of 3, 5 or >8 years' service).

The 2022 AGM approved the retention of the LVP, but no longer that of the Vice-President award. The latter will be replaced by 'Valued Volunteer' awards, although those who have already been awarded Vice-Presidencies will retain this honour.
