The minimum qualification for such an award shall be playing in or refereeing six County Championship matches. The Committee may also award Blazer Badges at its discretion (subject to a two thirds majority) to mark the services of Past Officers and members of the Committee who have given long and meritorious services for at least ten years, the expense of such badges to be borne by this Union. 4.1: The KCRFU Executive Committee appoints members of a Discipline Committee. The Discipline Committee reports to the Executive Committee but acts independently of it. The Disciplinary Committee's purpose is, on behalf of the KCRFU, as the RFU Constituent Body, to oversee and administer RFU Regulation 19, which provides the framework for dealing with all disciplinary matters.

Such Disciplinary Committee shall:

4.1.1: have the power to impose appropriate punishment on any player, official or member of its club for an infringement of the Laws of the Game or of an RFU Rule or Regulation,

4.1.2: exercise such power in a fair and open manner with the accused always having a right to attend and put his/her case after having first been given reasonable notice of the hearing, and

4.1.3: exercise its power without prejudice to the right and obligation of this Union to deal with such matters in accordance with the disciplinary powers delegated to it by the Rugby Football Union.

4.2: In addition, each Member must have a proper appeals process which is independent of its Disciplinary Committee.

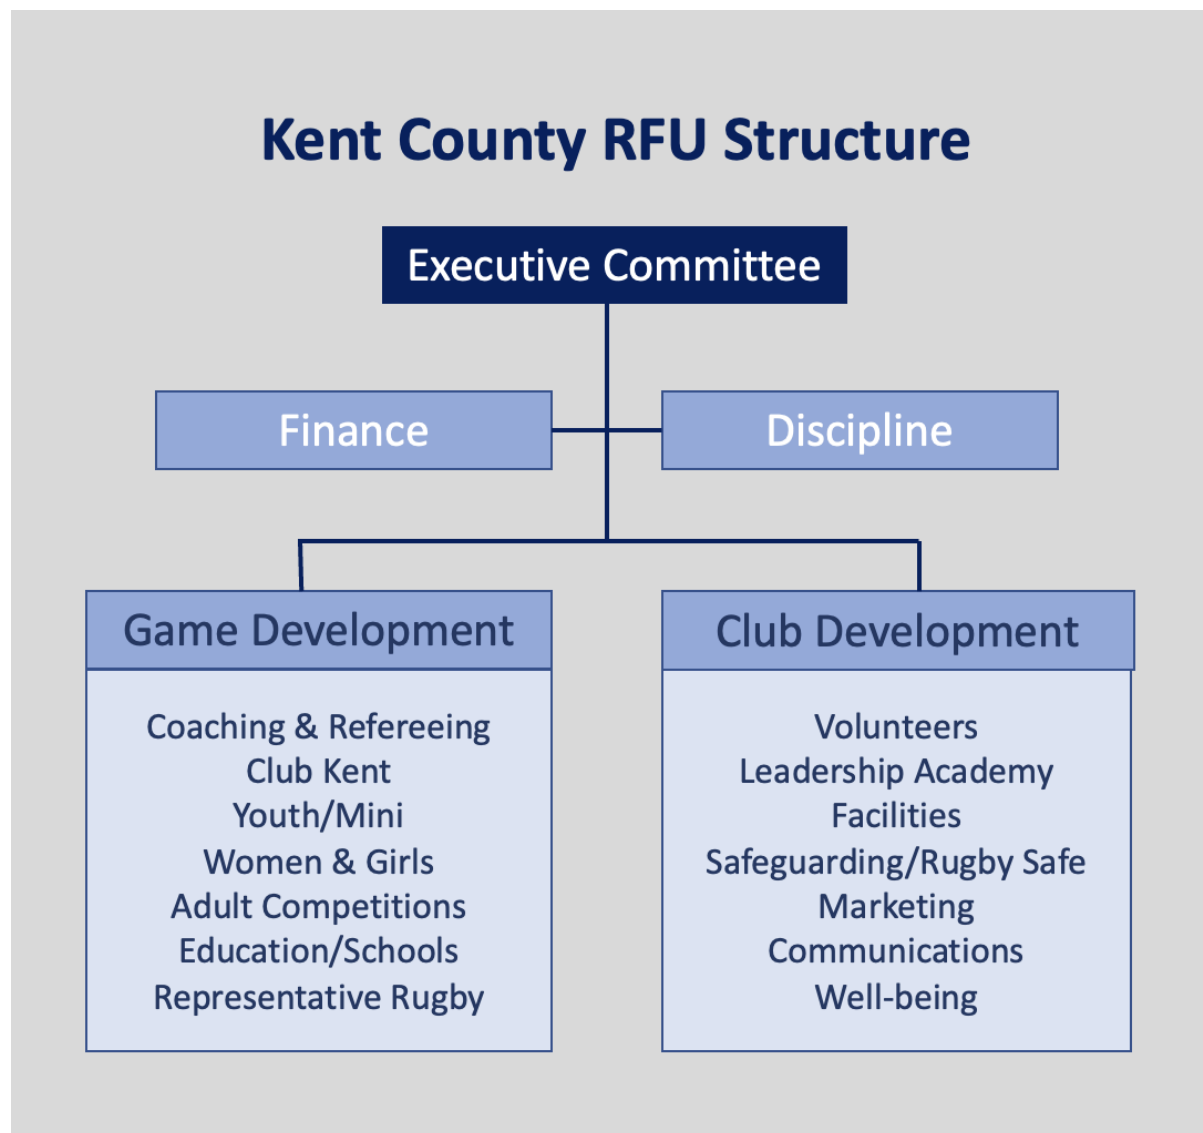

4.3: This Union shall be entitled to levy a charge against a Member to indemnify this Union against the expenses of a Disciplinary Hearing following the sending off of a player from the playing enclosure or when a player has been cited by another club within the stipulated time limit, or when a complaint has been made by a club against a Member and this Union deems it appropriate to hold a Disciplinary enquiry under RFU Rule 5.12. The amount of such levy shall be as determined from time to time by this Union.

5. All Members (i.e., member clubs) of this Constituent Body must have complied with the minimum requirements for Death and Disability Accident Insurance as required for its Member Clubs by the Rugby Football Union whether or not they are already Members of the Rugby Football Union.
