

KENT COUNTY RFU INFORMATION SENDOUT APRIL 2026

1. ANNUAL LEAGUE AWARDS DINNER AT ASHFORD INTERNATIONAL HOTEL ON THURSDAY 21ST MAY.

It is time once again to celebrate the achievements of our senior men's & women's teams across the county. We are pleased to invite your club to the 2026 Annual Awards Dinner – a special evening to recognise and honour the accomplishments of our rugby community, over the past year. With thanks to our principle sponsor, Shepherd Neame for generously providing welcome drinks to kick off the evening in style, this event is a highlight of our calendar and a wonderful opportunity to connect, reflect, and celebrate rugby in Kent. Last year clubs booked whole tables of 8 and reported to us that they had had a great evening.

We very much look forward to celebrating with you!

2. MARTYN'S LAW

Martyn's Law (the Terrorism (Protection of Premises) Act 2025) is now on the statute books and must be implemented by April 2027. Sports clubs throughout the country are trying to work out what the impact of this new legislation will be. It is important, therefore, that they understand how to manage the new responsibilities the Act creates, balanced against the level of risk and already heavy burden on club volunteers.

To support this, the Howden Insurance Sport team is hosting a webinar on Tuesday 19th May with solicitors Clyde & Co and health & safety consultancy, Praxis42, to explore the issues clubs face to provide clear, practical guidance to support organisations of all shapes and sizes. We invite you to share this webinar with your clubs and networks.

3. ROAD TO THE CHAMPIONSHIP: BLACKHEATH'S PLAY-OFF JOURNEY BEGINS

As the league season concludes across the community game, it's been a strong and exciting period for Kent clubs in the play-offs.

Tunbridge Wells have already secured a win in their opening play-off fixture against London Scottish Lions and now travel to Letchworth Garden City this Saturday, playing for the opportunity to face Henley for a place in National 2.

At Regional 2 level, both Gravesend and Old Colfeians progressed through their first play-off matches with wins over Horsham and Brighton respectively, before Old Colfeians came out on top in an all-Kent encounter. They now go forward with the chance to enter Regional 1 next season, alongside Sidcup who secured promotion as league winners.

At the top end of the game, Blackheath Rugby have secured an impressive 2nd place finish in National League One, earning themselves a home play-off against Plymouth Albion.

With so much success across the county, Kent clubs are warmly encouraged to come along and show their support as Blackheath represent us in this crucial next step on Saturday 9 May. It's a great opportunity to come together and back one of our leading clubs at a pivotal moment.

The winner of this match will go on to face the loser of the Championship play-off (either Richmond or London Scottish) in South West London on 23 May, with a place in The Champ at stake.
